Devon & Somerset Advanced Riders and RoADAR provide you with training aimed at decreasing your vulnerability on the road. The primary aim of the Devon & Somerset Advanced Rider Training package is to improve general Road Safety. Our Tutors provide the training on a voluntary basis and are not paid instructors. Whilst on any event with the group including those organised by third parties, you are solely responsible for your own actions and the safety of yourself and others. Group members have not undergone any screening, safety or certification process of any kind to join this social group or attend any event listed on the calendar.

Should injury, accident or death occur at any of said other events, you will not hold Devon & Somerset Advanced Riders, the groups organizer, assistant organizers, tutors, members or any one at said event liable or responsible in any way. By accepting training or attending events you automatically agree to the above terms.
